

Risk Assessment for Opening Church Buildings to the Public

Version Control

Issue Date	Version Number	Issued by
22 nd May 2020	1	The House of Bishops COVID-19 Recovery Group
8 th June 2020	2	The House of Bishops COVID-19 Recovery Group
12 th June 2020	3	The House of Bishops COVID-19 Recovery Group
1st July 2020	4	The House of Bishops COVID-19 Recovery Group

Churches and cathedrals have been legally permitted to open for purposes of individual private prayer from 13th June. House of Bishops guidance provided for churches to open for funerals from 15th June. Public worship, with measures in place for social distancing, are allowed from 4th July. Other activities, except for a few still prohibited by law, may also take place in churches, subject to the government guidance in place for the relevant sector.

The [government guidance for the safe use of places of worship during the pandemic](#) requires a COVID-19 risk assessment to be carried out for every building and site open to the public. This document provides a template risk assessment, with links to the relevant advice notes. It relates to opening up church and cathedral buildings to clergy and members of the public entering for any permitted purposes. As well as offering guidance on best-practice, it is also intended to help parishes make a decision on whether to open for any or all of these purposes or not, based on their local circumstances, resources and context. You should read the advice on re-opening buildings and the guidance on public worship before completing this assessment. Both are available on the [Church of England Coronavirus pages](#).

Future versions of this document will be produced when there is any substantive change to the guidance on the safe use of places of worship.

A separate risk assessment relating to contractors and construction workers is available on the [Church of England Coronavirus pages](#).

Carrying out a risk assessment

1. Agree what activities you are planning for:

- Private prayer (clergy only)
- Livestreaming services (clergy only)
- Private prayer (general public)
- Public worship
- Rites of passage services
- Opening for visitors and tourists

2. Consider the hazards:

- Transmission of COVID-19
- Hazards arising from the temporary closure of the church
- Hazards arising from now using the church in a different way

Read the guidance and think about how it relates specifically to your church. What constraints are there? Consider how people will arrive at the church, including if they will need to wait or queue outside; how people will enter and leave the church; circulation inside: from the entrance to the worship space and out again; circulation within the worship space; also access to other areas including the toilet(s).

3. Consider who might be harmed and how? Read the guidance and think about how the activities you are planning will affect different groups of people. The risks are not different for larger churches so long as they are properly managed, but having more people coming through your building makes the possible impact – for example of someone with COVID-19 coming into contact with others – higher than in smaller venues with fewer people. Consider your particular circumstances and adapt the checklist below as appropriate.

4. Using the risk assessment checklist below as a template:

- add in mitigations for any risks that are particular to your circumstances that may not be on the list;
- record what you need to do for each activity to go ahead safely;
- consider any equipment you need and any temporary changes you might need to make to the church;
- check back against your list of activities to confirm which ones can go ahead and when.

Risk assessment template

Funerals
Max: 30 excluding the verger

Church: St James' Elstead	Assessor's name: Revd Hannah Moore	Date completed: 08/07/2020	Review date:

	the church are compatible.	bell ringing when open for worship		
	Update your website, A Church Near You, and any relevant social media.		HM	ongoing
	Consider if a booking system is needed, whether for general access or for specific events/services	Not considered necessary at the moment but will review if necessary.	HM	ongoing
	If opening to tourists consider applying for the Visit Britain ‘Good to Go’ standard mark	Apply here. N/A		
Preparation of the Church for access by members of the public for any permitted purposes, including worship and tourism	Confirm that all steps (above) for access by clergy have been carried out before anyone else accesses the building.		HM/AS/SG	07/07/2020
	Review CofE guide on cleaning church buildings. Complete the ‘cleaning’ section of this risk assessment (below).	Advice on cleaning church buildings can be found here.		
	Choose one point of entry into the church to manage flow of people and indicate this with notices, keeping emergency exits available at all times. Where possible use a different exit.	Only one point of entry/exit, careful management required to ensure safe distancing by churchwardens	AS/SG	ongoing
	Make any temporary arrangements for people to wait or queue outside the building (taking into account any consequential risks arising from people gathering outside).	Mark two metres distancing with tape on pathway to the door. Encouragement to social distancing	SG/AS	ongoing
	Where possible, doors and windows should be opened temporarily to improve ventilation.	Vestry door open with the grill gate locked Church door open during service	SG/AS	ongoing
	Remove Bibles/literature/hymn books/leaflets		HM/AS/SG	14/06/2020

Area of Focus	Controls required	Additional information	Action by whom?	Completed – date and name
	Cordon off or remove from public access any devotional objects or items (if they are liable to be touched or closely breathed on)	N/A		
	Consider if pew cushions/kneelers need to be removed as per government guidance	Remove pew runners and kneelers and chancel runners and kneelers	AS/SG	08/07/2020
	Remove or isolate children’s resources and play areas	Done.	HM/AS/SG	14/06/2020
	Walk through the church to plan for physical distancing in seats, aisles, at the altar rail, including safe flow of visitors. Remember 2m in all directions from each person (or 1m with risk mitigation if absolutely necessary).	Identify the appropriate seating arrangements fill the front first ensuring that people are two metres from the aisle. Back rows not to be used	HM/AS/SG	07/07/2020
	Clearly mark out seating areas including exclusion zones to maintain distancing.		HM	
	Clearly mark out flow of movement for people entering and leaving the building to maintain physical distancing requirements.	Fill up from the front pews and to mark a route to the toilet to maintain distancing.	AS/SG	ongoing
	Limit access to places where the public does not need go, maybe with a temporary cordon in needed.			
	Determine placement of hand sanitisers available for visitors to use.	Register with Parish Buying for procurement options. Already carried out	HM/AS/SG	16/06/2020
	Determine if temporary changes are needed to the building to facilitate social distancing	Consult advice on gaining temporary permissions . Already carried out	HM/AS/SG	07/07/2020
	Put up notices to remind visitors about important safe practices e.g. no physical contact, practice hand	Actioned by HM	HM/AS/SG	

Area of Focus	Controls required	Additional information	Action by whom?	Completed – date and name
	washing etc.			
	Ensure high-risk surfaces and touch points have been wiped with appropriate sanitiser spray or disposable wipes	Advice on cleaning church buildings can be found here . After services wipe over surfaces touched by the congregation	SG/AS	ongoing
	Check that handwashing facilities have adequate soap provision and paper towels, and a bin for the paper towels.	Register with Parish Buying for procurement options.	AS	ongoing
	Where there are toilet facilities, ensure an adequate supply of soap and disposable hand towels, and a bin for towels, are available.	Register with Parish Buying for procurement options.		
	Ensure all waste receptacles have disposable liners (e.g. polythene bin bags) to reduce the risk to those responsible for removing them.	Already carried out under previous assessment	AS	ongoing
	If possible, provide safe means for worshippers and visitors to record their name and contact details; retain each day's record for 21 days	Using their own pen for filling in track and trace cards	AS/SG	ongoing
	Give due notice of the resumption of use of the building to neighbours, congregation and wider community, ensuring that visitors and worshippers will know what to expect when they come.	Document prepared so that the general public know when services begin and that bell ringing will be started too.	HM	When service starts
Cleaning the church before and after general use (no known exposure to anyone with Coronavirus symptoms)	If the church building has been closed for 72 hours between periods of being open then there is no need for extra cleaning to remove the virus from surfaces.	Already aware and we are complying	HM/AS/SG	ongoing
Advice on cleaning church	If 72-hour closure is not possible then check all cleaners are not in a vulnerable group or self-isolating.
