

How to take part

1. Go to www.ElsteadPTA.com shopping evening
2. Browse the online shops
3. Quote Elstead2020 on checkout so the stallholder knows you want to support St James
4. Share the website with your own friends and family, beyond the village
5. If you feel you have already done your Christmas shopping, but would still like to make a gift. Please head to www.crowdfunder.co.uk/elsteadpta to help make your contribution.

Please do mark the date in your diary and watch the Village page for features on individual stallholders (especially our youngest stallholder who left St James just a couple of years ago).

There is great power in the collective and together we can make a difference. We hope the week will benefit both the PTA and local stallholders (many of whom are working mothers running a spare-room industry) and ultimately enrich the lives of the children of St James's School.

We look forward to seeing you online.

The St James School PTA

19 - 26 November

From the St James School PTA

It's safe to say, 2020 is not what we were expecting. The world around us is constantly changing and for all of us, there's a lot to make sense of, particularly now. I hope you and your loved ones are safe and well as you navigate this challenging period.

We at the PTA are still passionate about supporting the School in 'Bringing out the Best' in all our children, and to help our pupils enter the next stage of education with a strong work ethic and the capacity for kindness.

Like many we have seen our fundraising events postponed so we took the brave decision to put our annual shopping night online, and to share it with everyone in our community. With the high streets closed this is the perfect place to find something special.

From 19 - 26 November we will be promoting small local businesses that sell perfect Christmas presents on our website www.ElsteadPTA.com. Now is the time to support your local economy and your village school. Every gift you buy from our stallholders will help the School.
