## Concert in Memory of Gordon Parham, 14th July 2021 at 7pm in St Mary's Church

Gordon's daughter, an internationally known pianist, is performing a concert in his memory on the 14th July 2021 at 7pm at St Mary's Church.

Lucy Parham has created a new programme. Elegie chronicles the life of composer and pianist Sergei Rachmaninoff. Though he became an exile in 1917, Russia remained deeply rooted in his soul. His cultural identity and his longing for his homeland imbue his music, not least the many much-loved works he wrote for his own instrument, the piano. The narrative, scripted from letters and diaries, follows Rachmaninoff from his youth in Russia, through his subsequent self-imposed exile in 1917 and finally to California USA, where he died in 1943.

The concert includes many of his best-loved works for solo piano, including a selection of Preludes, Etudes-Tableaux and Moments Musicaux, some of his own transcriptions and the haunting Elégie, as well as works by Scriabin and Tchaikovsky.

Please note this is the shorter, 75 minute version of Elegie, with no interval.

**This is a free concert but please book a seat via the link below:**

## Compassion Prayer Based on prayer by Henri Nouwen

Dear God,

As you draw us ever deeper into your heart,

we discover that our companions on the journey are women and men loved by you as fully and as intimately as we are.

In your compassionate heart, there is a place for all of them. No one is excluded.

Give us a share in your compassion, dear God,

so that your unlimited love may become visible in the way we love our brothers and sisters.

Amen.

### Revd Delia writes:

The readings this Sunday remind us how easily we fail to live up to our good intentions and the consequences that follow for us and those around us. At a time when the country appears to be focused on selfish things like a foreign holiday, regardless of the potential harmful affect effect on our country when they return and what it means for the country they travel to needing to open their borders to all types of visitors for their financial survival.

Where in all this is the generosity we need to apply to those countries who cannot afford the vaccines and the fair distribution networks needed to bring an end to suffering across the world.

I am going across the water on holiday—to the Isle of Wight in a few weeks time. Come rain or shine it will be a wonderful change of scene and good company with my friend Merrin, Vicar in East Ham.

The words of the Collect below are often quoted to remind us just who and what we are “O God ... through the weakness of our mortal nature we can do no good thing without you, grant us the help of your grace that, in the keeping of your commandments, we may please you, both in will and deed.”

### Today's Readings

#### First Reading Genesis 3:8-15

Adam and Eve disobey in the Garden of Eden.

#### Second Reading 2 Corinthians 4:13-5:1

Paul encourages others to share his focused, faith-filled choice to trust in God's grace and eternal provision beyond this world's visible decay and distress.

#### Gospel Mark 3:20-end

Jesus refutes accusations of madness and devilry, dismissing the charge that he is fighting evil with evil. He calls out the wickedness of declaring God's work as demonic.

#### Collect

O God, the strength of all those who put their trust in you, mercifully accept our prayers and, because through the weakness of our mortal nature we can do no good thing without you, grant us the help of your grace that, in the keeping of your commandments, we may please you, both in will and deed; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

**Amen.**

### Our concerns:

Lord as we marvel at the mystery of the Trinity help us to know you as Father, Son and Holy Spirit. Help us to celebrate our 3 parishes joining together and work out your Vision for us in our villages and the wider world.

We thank you for our beautiful world and for your creation. Help us to care for our planet and not misuse or abuse it's resources. We look for the coming of peace on earth—peace in our hearts, our homes, our communities and the whole earth.

Risen Christ, may you be known to us and to our neighbours far and wide. Guide the leaders of the nations to use their powers for the good of their people. Particularly in the fight against Covid and the fair distribution of the vaccines. Lord we pray for the people of India and Nepal and some towns and cities in our own country as they face a surge in Covid Cases.

We give thanks for the continuing work of the scientists in fighting diseases, for all medical breakthroughs and the roll out of the vaccines. We pray for the those working in the NHS, in care homes and social care.

We pray for your healing and restoration to all those who are suffering in body, mind or spirit. We pray especially for those who are struggling with their mental health at this time, for those who are unwell & those who have gone to their rest in you.

We continue to pray for our schools, colleges and universities, as many enjoy half term. May students and teachers have a good rest and return to school refreshed after the break.

We also pray for those struggling to cope with financial pressures because of the virus, for those people who have lost their jobs and those needing to use Foodbanks

We pray for areas in the world facing conflict and war.

**Christians far and wide:** We pray for Christians across the world who live with the fear of persecution. We pray for all religious leaders as they guide their communities through this pandemic.

**Diocesan Cycle of Prayer** Chaplains to the Armed Services. Chaplains to Prisons and those who they minister.

**Anglican Cycle of Prayer** The church of the Province of Myanmar (Burma).

**Our neighbours:** All who live in Grenville Road, Milford Road south side, Hookley Lane to Village Green, Park Lane (Brook). We thank you for the community spirit and care for our neighbours which is present in our villages.
